

Sustaining Your Nonprofit Into the Future: A Curriculum for Home and Community Based Service Providers

The Minnesota Department of Human Services (DHS), Aging and Adult Services Division is now offering a **free, web-based training opportunity**, designed for community-based organizations that serve older Minnesotans.

Nonprofits today face intense challenges. Traditional sources of support are no longer certain. Nonprofits need creative strategies for sustainability. This three-part educational program will help you design a sustainability plan that works for you.

Learn at your own pace. Go to www.dhs.state.mn.us/sustainability to get started.

These courses will encourage you to think broadly about nonprofit sustainability. Learn about:

- Community Engagement: Creating Sustaining Relationships
- Strategic Positioning: Maximizing Your Strengths for the Future
- Financial Stability: Balancing Revenue Against the Cost of Providing Service

Want to discuss your sustainability ideas with an expert? Looking for technical assistance with your sustainability plan? Contact your local [Eldercare Development Partnership \(EDP\)](#). Click [here](#) for contact information.
