

# Central MN Older Adults Needs Assessment Results 2024

**November 14, 2024**

**1:30 pm - 3:00 pm**

**Free Virtual Event**

You are invited to join in an overview discussion of the results obtained during the recent survey conducted by Central Minnesota Council on Aging in collaboration with St. Cloud State University Survey Center.

---

Continuing our mission to support the well-being of older adults in our community, it is important to address the challenges they face. Working together we can identify what needs to be accomplished to create an inclusive and supportive environment for all.

**Audience:** Community Leaders | Elected Officials | Health Providers  
Grant Writers | Service Providers | Interested Community Members

**Registration by November 13:** <https://tinyurl.com/NeedsCMCOA2024>
