

## Central Minnesota Age-Friendly Community of Learning

### Telling Your Story with Data

Monday, August 11, 2025

1:30 pm - 3:00 pm

**Free Virtual Event**

---

**Explore ways for community leaders to share their stories with data:**

- Discuss the ways you use your numbers
- Showcase different ways to portray your data
- Highlight essential components of quality tables and charts
- Using stories to complement the numerical data

Presenters will interactively share how to showcase data accurately. Discussion will include ways to incorporate how to use quantitative (numbers) and qualitative (narratives) to tell your story.

**Registration link or QR code:**

<https://tinyurl.com/Story-Data>

All are welcome.
