

Find a Memory Café

Memory Cafés are usually held on a regular basis. Most can be found in various locations, including community centers, libraries, senior centers, and even cafés and restaurants. They are typically designed to be accessible and inclusive, creating a welcoming space where participants feel comfortable and safe to express themselves.

If you are interested in starting a Memory Café in your community contact natalie.matthewson@cmcoa.org.

To find a Memory Café not listed here go to <https://dfamerica.org/memory-cafe-directory/>.
