

# New to Medicare

**m** MINNESOTA  
AGING PATHWAYS

Medicare can be complicated, and if you're just getting started, it can seem very overwhelming. Minnesota Aging Pathways can help you learn all the basics - Medicare Parts A, B, C, D, and more. And we will give you an overview of the Medicare.gov site so you can compare plans and choose the one that will be best for you.

## REGISTRATION

Call Minnesota Aging Pathways at 800-333-2433 or go to [cmcoa.org](http://cmcoa.org) to register.
